**SEMESTER II**  
**TERM 112**

## COURSE OFFERINGS & SCHEDULES FOR 2011-2012 ACADEMIC YEAR

The course schedule booklet contains the schedule of courses for the Spring 2011-12 academic year. The College reserves the right to make changes in this schedule and, in particular, courses may be canceled for low enrollment.

Several items of importance need to be emphasized as student's plan for registration:

1. All current students need to be cleared by Student Financial Services and the Health Center to register only during priority registration from November 7<sup>th</sup> through November 11<sup>th</sup>. Registration will be open to **ALL CURRENT STUDENTS, regardless of holds**, from November 14<sup>th</sup> through November 30<sup>th</sup>.  
**(REMINDER: STUDENTS MUST BE REGISTERED TO BE ELIGIBLE FOR HOUSING.)**
2. **ALL STUDENTS MUST MEET WITH THEIR ACADEMIC ADVISOR TO PREPARE A SCHEDULE AND RECEIVE THEIR REGISTRATION PIN NUMBER FOR ONLINE REGISTRATION.**
  - a. Students who change their major need to meet with an advisor in the **NEW** Department and the student must notify the Registrar's Office of this major change.
  - b. All education (major or minor) students **MUST** meet with a member of the Education Department **PRIOR** to registration.
3. Students are responsible for reading all warning messages associated with registration in particular the warning concerning registering for more than 18 credits.
4. An **OVERLOAD CHARGE/ FEE** may be applied for every credit above 18.
5. Meeting with a faculty advisor only means that advice has been obtained. It does not guarantee students will be able to register for the course or course sections that have closed. **Core instructors can not give permission for students to register for closed sections of Core during registration.**
6. **All full-time students are required to be registered for Core in the proper sequence.** Transfer Credit, Advanced Placement Credit, or Cores taken during the summer session are the only exceptions to this policy.
7. Special forms and/or signatures are needed to register for the following:
  - a. **Independent Study:** Must have a form completed by the sponsoring professor and approved by the Registrar **before** the student can be registered. This form is available in the Office of the Registrar or the Vice President for Academic Affairs.
  - b. **Directed Study:** Must have a form completed by the sponsoring professor and approved by the Registrar **before** the student can be registered. See *the College Catalog for guidelines*. This form is available in the Office of the Registrar or the Vice President for Academic Affairs.
  - c. **Internship:** Must have a form completed by the sponsoring department **before** student can be registered. This form is available in the Office of the Registrar.
8. Course schedules may be changed (ADD/DROP) **online up through the end of the first week of classes.** Students are urged to register carefully the first time. Course(s) left in the **PENDING** area are not considered registered.

9. Courses which conflict in any way will be denied registration until the conflict is resolved. **Instructor consent in writing is required indicating the conflict is resolved. Consent must be on record in the Registrar's Office before the course can be added by the Registrar's Office.**
10. Students may withdraw from courses according to college policy and by the established date. Students are warned that withdrawing from courses may cause scheduling problems and overload charges/fees in the future. **An average of 15 credits earned per semester is required in order to graduate in four years.**
11. Registration dates are established by the faculty one-year in advance. Registration dates are also listed in the academic calendar, which appears in each issue of the College *Catalog* and online. This should give all students plenty of time to make arrangements to meet with their academic advisors prior to opening registration days.
12. **Having holds on your account will not waive late registration fees since registration is open to all students, regardless of holds, between November 14<sup>th</sup> and November 30<sup>th</sup>. Holds do not prevent a student from attending classes the first week of the semester and will not be considered an excused absence.**

<b>Senior Status Starting:</b> <i>(84 or more credits earned)</i>	<i>Monday, Nov. 7<sup>th</sup></i>
<b>Junior Status Starting:</b> <i>(54 or more credits earned)</i>	<i>Tuesday, Nov. 8<sup>th</sup></i>
<b>Sophomore Status Starting:</b> <i>(24 to 53 credits earned)</i>	<i>Wednesday, Nov. 9<sup>th</sup></i>
<b>Freshman Status Starting:</b> <i>(0-23 credits earned)</i>	<i>Thursday, Nov. 10<sup>th</sup></i>

**Online registration problems or pending course errors see the  
Registrar's Office (1<sup>st</sup> floor-McHale)  
Monday-Friday 8 am-4:30 pm  
or email to: Registrar@saintjoe.edu**

13. The obligation of seeing that graduation requirements are met is PRIMARILY that of the student.
14. The College reserves the right to make adjustments to schedules as needed.
15. Courses held in Lafayette, Indiana are listed as Eastern (EST, EDT) time. Saint Joseph's College is on "CHICAGO TIME" (CST, CDT) all year.

**Any current student not registered by Dec. 1<sup>st</sup> will be charged a late registration fee according to the following schedule:**

REGISTER 12/1/11 to 1/8/12	\$25.00	3 <sup>RD</sup> DAY OF SEMESTER	\$100.00
1 <sup>ST</sup> DAY OF SEMESTER	\$50.00	AFTER THE 3 <sup>RD</sup> DAY	\$200.00
2 <sup>ND</sup> DAY OF SEMESTER	\$75.00
